The Garrison Players was started in 1948 as a Forces group, but has since grown somewhat. We try to do about four major productions a year in the City Hall, one of them usually a Christmas show jointly with the Stage Club. In the last two years we have presented "Waltz of the Toreadors", "Loot", "The Hollow Crown", two Pinter one-actors, "All in Good Time", "Peter Pan", "Oliver", "Who's Afraid of Virginia Woolf?", "The Anniversary" and with the Stage Club the pantomime "Old Mother Hubbard".

Our next production in the City Hall will be "Rattle of a Simple Man" from 17 February to 20 February.

In addition to City Hall shows we try to do as many Workshop productions as possible. The next Workshop is scheduled for production on Thursday 26 March 1970 - if you want to produce a workshop play 'phone Bill Bailey on 243767 during office hours. We also have tentative plans for doing the occasional TV play, using one of our members' video-tape equipment.

If you want to join us contact David Simpson, 28 Kadoorie Avenue, Kowloon ('phone 661159 - office: 648524 - home).
